### Product information

The innovative IntelligentDrive motor and operating technology offers three operating modes. Either for a particularly quiet, normal or a up to 40 % higher performance data destruction

This maintenance friendly document shredder has an integrated automatic oiler which ensures that you have a consistently high cutting capacity.

The separate media cutting unit with a waste container effortlessly shreds CDs/DVDs, credit and loyalty cards as well as floppy discs into small particles (2 x 2 mm). The shredded...

### For continuous operation

The powerful motor ensures a high cutting capacity and reliable continuous operation.

### Energy-saving

In stand-by mode, intelligent control programme EcoSmart ensures there is an exceptionally low power consumption of 0.1 watts.

### Automatic start/stop

The operation is very easy: the device starts automatically when fed paper and automatically stops after shredding is complete.

### Anti-paper jam function

Intelligent paper jam prevention. The machine recognises very quickly if too much paper has been fed in and reacts autonomously.

### High level of user safety

User safety is paramount. A slight pressure on the safety element immediately stops the paper feed and prevents unintentional entry into the machine.

### Convenient emptying

Robust wooden cabinet with castors. After opening the door, the reusable collecting bag can be easily removed and emptied.
